NORMAN BRAMAN

Owner

When Norman Braman officially became the new owner of the Philadelphia Eagles in April, 1985, it was a dream come true for the Miami businessman who, as a lanky kid, used to haul water buckets to Steve Van Buren, Tommy Thompson, and the rest of the Eagles' players at their training camp in West Chester and then sneak into Shibe Park during the regular season to watch them play.

"I didn't have the money to buy a ticket then," recalled Braman, who today heads an automobile sales and leasing organization that is among the largest in the world.

Braman, now 59, called his purchase of the Eagles "a solid business deal deeply immersed in sentimentality." Indeed, Braman maintained his love affair with the Birds since his water boy days, and while running his highly successful business in Pennsylvania before moving to Florida in 1968, Braman religiously bought Eagles' season tickets.

In July, 1986, Braman became the sole owner of the Eagles when he purchased the 35 percent of the club owned by his brother-in-law, Ed Leibowitz. Since that time, Braman has been extremely active in National Football League matters and currently serves as the chairman of the executive committee of NFL Properties. He also is on the Super Bowl site selection and NFL expansion committees as well as the Board of Directors of the World League of American Football.

Braman was born in West Chester (8/22/32) the second son of immigrant parents. His late father, Harry, had come to America from Poland; his late mother, Katie, came from Romania. Braman's brother, Leonard, is a retired judge.

Less than a year after his birth, Braman's family moved to Philadelphia where he would spend his early days in the Roseberry Street and Orkney Street neighborhoods in South Philadelphia.

It was there that he went to Taggart Elementary School and spent time hanging around his father's barber shop at 8th and Arch Streets. Later, after the family moved to Larchwood Avenue in West Philadelphia, he attended Bryant Elementary, Shaw Junior High, and West Philadelphia High, where he played basketball and graduated in 1950.

Braman received a degree in marketing from Temple University in 1955 and first entered the business world as a salesman for a wholesale wine and liquor distributor. He then started on his road to success in Lebanon, PA, where he opened a small discount department store which did so well that he soon was able to open new stores in Philadelphia and other nearby towns.

Later, he organized Philadelphia Pharmaceuticals and Cosmetics. In 1968, at only 36, he sold the business at a price that made him a millionaire.

When Braman sold his Philadelphia business, he bought a home in Florida to spend more time enjoying life with his wife and children. In 1972, however, he was presented with an opportunity to take an interest in a Cadillac agency in Tampa, FL. In 1975, he acquired a Miami Cadillac agency...and has been going at full speed ever since.

BRAMAN *(continued)*

In the past 16 years, he has become one of South Florida's most visible and successful businessmen and community leaders. His retail automotive organization includes a string of dealerships across the state of Florida and in Denver, CO. They represent Cadillac, Rolls-Royce, Mercedes, Porsche, Audi, BMW, Maserati, Sterling, Mazda, Acura, Mitsubishi, Honda, and Chrysler-Plymouth.

In May, 1985, Braman became chairman of Austin Rover Cars of North America through which he imported and distributed a new luxury automobile called the STERLING, which was engineered jointly by Austin Rover of England and the Honda Motor Company of Japan. It was the first production car in the world to have been developed on an equally shared basis from concept to production by two major manufacturers.

Three years later, in May, 1988, Braman sold the 51 percent interest in ARCONA previously held by Norman Braman Enterprises to the Austin Rover Group, Ltd., Great Britain's largest auto manufacturer.

Along with directing his sophisticated and extensive business empire, Braman manages to devote considerable time to community activities as an activist and philanthropist.

He was involved with Philadelphia's Crisis Intervention Network, which has gained nationwide recognition for its remarkable success in controlling the city's once critical gang problem and also for its involvement as an intermediary in neighborhood disputes. Braman served as honorary chairman of the Variety Club telethon and is on the board of directors of the Police Athletic League and the Maxwell Football Club.

Braman also is a leader and contributor to such diverse causes as the United Way, Greater Miami Jewish Federation, Miami Heart Institute, Mount Sinai Medical Center, United Israel Appeal, Greater Miami Chamber of Commerce, Tel Aviv University, and numerous other efforts, including the National Foundation for the Advancement of the Arts.

In 1985, Braman received the prestigious "Tree of Life" award from the Jewish National Fund of Philadelphia for his distinguished community service. He also was the recipient of the Order of Owl Award from the Temple Alumni Association for his business and philanthropic contributions, was honored by Drexel University as its Business Leader of the Year, and was recently honored by the Philadelphia Martin Luther King, Jr. Association for Nonviolence with their Drum Major Award for Social Justice.

Braman also has an active interest in politics, dating back to the days of his support of Republican Senator Hugh Scott in his native Pennsylvania. Several years ago, he was considered by many to be a leading potential candidate for the U.S. Senate from Florida. Eventually, however, he took himself out of consideration for that office to concentrate on business. In 1981, President Ronald Reagan nominated him for Commissioner of the U.S. Immigration and Naturalization Service, but Braman decided to devote full time to his dealerships.

Braman and his wife Irma have been married for 35 years. They are the parents of Debi, 31, and Suzi, 24. Debi, a graduate of Boston University and the Fashion Institute of New York, resides in Miami with her husband Todd Shack and their sons, Alex and Brian and daughter Dana. Suzi, a graduate of Drexel University, is the vice president of the Eagles. She resides in Philadelphia with her husband Alan Sussman.

HARRY T. GAMBLE

President-Chief Operating Officer

At the same time when Norman Braman became sole owner of the Eagles in July, 1986, he elevated Harry Gamble to president-chief operating officer of the club.

Gamble has proven to be an extremely capable NFL executive. He is respected by his peers for his business acumen and patience.

"I wish I had a Harry Gamble in all my businesses," Braman has said. "I have rarely come across a man who possesses the kind of common sense and leadership qualities that he has. I'm more a shooter from the hip. Harry is the calm, analytical, solid football man. He is going to build a consistent, winning football team in Philadelphia."

Gamble began his meteoric rise through the Eagles' organization in 1981 when he served as a volunteer assistant coach. In 1982, he became a full-time staff member when he coached special teams and tight ends and was an administrative assistant to head coach Dick Vermeil. Gamble then concentrated his efforts in administration in 1983 as an assistant for both the coaching and personnel staffs before being named director of football operations in 1984.

In February, 1985, shortly before Braman reached an agreement with Leonard Tose to purchase the Eagles, Gamble was named general manager. On April 29, the same day Braman officially became the Eagles' majority owner, he expanded Gamble's title to vice president-general manager in charge of all daily operations with the club, a title he would hold for 14 months before again being promoted.

Prior to joining the Eagles, Gamble was head football coach at Lafayette (1967-1970) and Pennsylvania (1971-1980). In 1972, he was chosen by his peers as the NCAA District One coach of the year and by the New York Sportswriters Association as the University Division Eastern coach of the year. During several months in 1979, he also served as Penn's acting director of recreation and collegiate athletics.

Born and raised in Pitman, NJ, Gamble, 60 (12/26/30), has master's and doctorate degrees in business education from Temple University. He received his undergraduate degree in 1952 from Rider College, where he was an offensive lineman, and then became a player-coach with the 2nd Army Headquarters team at Fort Meade (MD) in 1953. After coaching and teaching in the New Jersey high school ranks from 1954-1961 (at Clayton and Audubon high schools), Gamble became an assistant coach at Penn from 1962-66.

Throughout his career in football, the likeable Gamble has received much recognition. In 1985, he was inducted into the Gloucester County (NJ) Sports Hall of Fame and the South Jersey Coaches Hall of Fame. He also received the Bert Bell Award from the Bakers Club of Philadelphia. In 1987, Gamble received an honorary Doctor of Laws degree from Rider College and is also a member of their board of trustees. This past spring, Gamble was honored as the Distinguished Citizen from the South Jersey Council of the Boy Scouts and received the First-and-Goal Award from the Philadelphia High School Football All-Star Game for his commitment to the community and to the game itself.

Gamble is a member of the board of directors of Kennedy Memorial Hospital Health Care Foundation and the Brooks-Irvine Memorial Football Club of South Jersey, and is involved with community groups such as the Police Athletic League, Special Olympics, the Association for Retarded Citizens, and the Camden County

Chapter of the American Red Cross. He also became a member of the board of trustees at Rider College in 1987 and Philadelphia's Methodist Hospital in 1990. Gamble and his wife Joan reside in Haddonfield, NJ. They have two sons, Tom 28, the assistant to the director of player personnel with the Eagles, and Harry 32.

SUZI L. BRAMAN

Vice President

Suzi Braman officially joined the Eagles' organization in the spring of 1989 as assistant director of marketing and sales and was elevated to her present position in April of 1991. But, the 24-year old (7/3/67) has had a growing interest in the club since her father, Norman Braman, purchased the team in 1985. Suzi is credited with organizing the annual Eagles/United Way Kickoff Dinner, a highly successful event that celebrates the opening of the football season and the United Way campaign. She also oversaw the production of a calendar featuring Eagles' players away from their football element for which a portion of the proceeds benefitted the United Way. Since the spring of 1990, Braman has been instrumental in creating a new, innovative marketing proposal known as the Emerald Eagle Sponsorship Package which involves area corporations "sponsoring" individual games for the upcoming season. After graduating from Miami Beach Senior High, she moved to Philadelphia where she earned a B.S. degree from Drexel University. Suzi and her husband, Alan Sussman, reside in Philadelphia.

MIMI BOX

Vice President-Chief Financial Officer

Mimi Box joined the Eagles' staff in 1983 and was promoted to vice president-chief financial officer in July, 1986. Prior to joining the Eagles, Box, 40, worked for the Internal Revenue Service for 11 years. From 1972-79, she was a special agent in the criminal investigation division of the IRS. During the next three years, she served in two managerial roles in the Mid-Atlantic Regional office and the Wilmington District office. Box was born in Philadelphia (12/21/50) and attended the Academy of Notre Dame de Namur in Villanova before enrolling at Drexel University, where she earned a degree in business administration in 1972 and played four years of varsity basketball. Box presently represents the Eagles in Executive Women International. Mimi and her husband, Bob, reside in West Chester, PA, with their children Lauren 10, and Daniel 7.

DECKER UHLHORN

Vice President-Marketing and Development

Decker Uhlhorn spent 12 years as an administrator at the University of Pennsylvania before joining the Eagles in November, 1985, as the club's executive director of sales and marketing. One year later, he was promoted to his present position of vice president-marketing and development. In that capacity, Uhlhorn, 43, oversees the

Eagles' revenue generating matters. Born in Brooklyn, NY, (9/4/47), and raised in Valley Stream, NY. Uhlhorn went on to earn a degree in history at Penn, where he played basketball from 1966-69. He also earned a masters in education from Rutgers in 1973. From 1969-1973, Uhlhorn was a history teacher and basketball coach at Woodrow Wilson High in Camden, NJ. Uhlhorn returned to Penn in September, 1973, and worked in the undergraduate admissions department until 1979. Over the next six years, he was the university's director of commonwealth relations (1979-1983) and the associate director of development (1983-85). He currently serves on the board of directors for the American Heart Assoc., Phila. Mental Health Care, Corp. Alliance for Drug Education, and Lighthouse Recovery Service and is the former president of the Penn Club of Delaware. Uhlhorn and his wife Madeleine reside in Wilmington, DE. They have three children, daughters Elizabeth 11, Madeleine 9, and son Bradford 7.

GEORGE AZAR
Assistant to the President

George Azar begins his seventh year as an assistant to the president. In this role, Azar assists Harry Gamble in numerous club matters, and acts as an administrative liaison with the NFL office. Azar, 50 (7/26/41), also is responsible for evaluating film of collegiate players throughout the East, a task he performed on a voluntary basis for two years prior to joining the Eagles. Azar also worked as a volunteer administrative assistant at the Eagles' 1983 and 1984 training camps. This marks the third time Gamble and Azar have worked together. Azar spent six years (1965-1970) at Lafayette as an assistant football coach (and head wrestling coach), the last four with Gamble, who was head coach. Azar was the offensive line coach under Gamble at the University of Pennsylvania from 1971-80. He then served as the head wrestling coach and an assistant football coach at Woodbury (NJ) High School before joining the Eagles in 1985. Azar was born and raised in Johnstown, PA, where he was an all-state football player, state wrestling champion, and baseball letterman. He earned his BS degree in physical education from Michigan State, where he was a standout guard and linebacker (1960-62) and a catcher in baseball (1961-63). Azar and his wife Kay reside in Cherry Hill, NJ. They have 26-year old twins, son Todd (who was an All-America baseball player at Old Dominion and a former member of the Seattle Mariners' farm system), and daughter Robyn ... pronounced: A-zar.

ROBERT E. WALLACE
Assistant to the President and General Counsel

Robert E. Wallace joined the Eagles this past April to assume the duties of the Eagles' chief contract negotiator and lawyer. In that role, Wallace will be responsible for rookie and veteran signings, in addition to servicing the club's legal needs. Wallace, 35 (3/1/56), served as a legal consultant to the Phoenix Cardinals for the last 10 years while working for the St. Louis law firm of Guilfoil Petzall & Shoemaker. Said Eagles' president Harry Gamble, "I have known Bob for quite some time and recognize the fact that he has done a superb job of handling negotiations with both veterans and draft choices. Bob's experience as a lawyer also is a big plus;

WALLACE (continued)

it's an added dimension that he brings to our organization." The New York City native previously served on Pete Rozelle's staff as a legal intern to the league counsel and also conducted classes on sports law as a professor at St. Louis University School of Law. A graduate of Yale University where he lettered in football and was the coordinator for Black Athletes at Yale, Wallace went on to earn his law degree at the Georgetown University Law Center. He is a member of the Sports and Entertainment Division of the American Bar Association, served on the Executive Committee for the Young Lawyers Section of the Metropolitan Bar Assoc. of St. Louis, and received a Certificate of Recognition for Law and Education projects from the St. Louis Public Schools. Wallace resides in Cherry Hill, NJ, with his wife Julie.

RICH KOTITE

Head Coach

On January 8, the same day that Eagles' owner Norman Braman relieved Buddy Ryan of his duties as head coach of the Eagles, Braman moved quickly and decisively in elevating offensive coordinator Rich Kotite to the head coaching position.

The move was made, said Braman, in an effort to help the Eagles "reach the next plateau." After the Birds reached the playoffs for the third straight season only to lose in the opening round, it became apparent that, while there is little doubt that this is a talented team, a change would be necessary in order for the Eagles to reach the next level of success. By promoting from within, Braman chose to build upon the solid foundation already in place rather than start over.

Kotite originally joined the Eagles on February 6, 1990, as offensive coordinator/quarterback coach under Ryan to revive a slumping offense. And in his only season in that role, the Eagles' offense flourished under his tutelage and re-established itself as one of the National Football League's most potent attacks. In fact, Philadelphia led the league in rushing and time of possession, as well as the conference in scoring and touchdown passes. In particular, Kotite's offensive system enabled quarterback Randall Cunningham to rank among the league leaders in both passing and rushing while also getting the most out of multi-talented RB Keith Byars. Equally impressive was the development of starting rookie wide receivers Calvin Williams and Fred Barnett who combined to catch 17 TD passes.

With continued improvement in mind, Kotite will remain in charge of the offense in 1991. "At first," said Kotite, "I was going to bring in someone new [as coordinator] but I changed my mind. I like what we were able to get started on offense last year and, for the sake of continuity, I decided against it.

"But I still will oversee all phases of the team. I'm going to be very involved in the offense but I want to give a lot of attention to the defense and special teams."

The 48-year old Kotite (10/13/42) had previously served as the New York Jets' offensive coordinator/receivers coach from 1985-89 after originally joining the club as receivers coach in 1983. In each of Kotite's years at the helm of the New York offense, the Jets finished near the top in the AFC in total offense, including a third place ranking in 1985. He also was responsible for the development of all-pro wide receiver Al Toon and tight end Mickey Shuler (who joined the Eagles at the beginning of the 1990 season). The Brooklyn, NY, native began his pro coaching career under the wing of head coach Hank Stram with New Orleans in 1977 before joining Cleveland the following year. Kotite was the Browns' receivers coach on head coach Sam Rutigliano's staff and aided in the development of perennial all-pro TE Ozzie Newsome from 1978-1982 before joining the Jets.

During his playing career, Kotite was known as a scrappy tight end and outstanding special teams performer with the Giants (1967, 1969-72) and Steelers (1968). After a brief boxing career at the University of Miami (FL) where he was the school's heavyweight champ, Kotite became a Little All-America tight end at Wagner College in Staten Island, NY.

Kotite had spent the entire 1990 season residing at the Mount Laurel Hilton in New Jersey, while his wife Elizabeth and daughter Alexandra, 14, continued to dwell at their home in Staten Island. In 1991, however, the Kotite's have found a nearby home in Mt. Laurel, NJ.

1991 STAFF

DAVE ATKINS, Special Teams

Dave Atkins embarks on his first season as special teams coach after five seasons tutoring the offensive backfield. Head coach Rich Kotite hopes that Atkins can bring to the special teams units what he brought to the running back corps when he arrived in 1986. In just his first year as a pro coach, the Birds' running game improved from 23rd in the NFL in 1985 to ninth and produced its highest rushing total (2,002 yards) since 1981. The Birds' have continued to improve, raising their average rushing yards per game from 125.1 in

Atkins' first year to 159.8 in 1990, the best in the NFL. However, Atkins' biggest contribution may have been in the development of RB Keith Byars as a receiver. Over the last three seasons, Byars led all NFL backs in receiving (221 receptions), and in 1990 he tied the club record for receptions (81). Atkins, 42, was born in Victoria, TX (5/18/49), where he attended Victoria High. As a running back at Texas-El Paso from 1970-72, he served as tri-captain in his senior year when he rushed for 350 yards (4.9-yard avg.). In 1973, Atkins was drafted in the eighth round by San Francisco and was on the 49ers' active roster that season. The following year he signed with Honolulu of the now-defunct World Football League, and then completed his pro career with the San Diego Chargers in 1975. Atkins entered the coaching ranks as an assistant at Burges High School in El Paso (1977-78). In 1979, he returned to his alma mater, Texas-El Paso, where he coached the offensive backfield and kicking game for two seasons before joining the San Diego State staff (1981-85). While at SDSU, Atkins served under head coach Doug Scovil, who was the Birds' quarterbacks coach until his untimely death in December, 1989. Atkins resides in Marlton, NJ.

ZEKE BRATKOWSKI, Quarterbacks

One of the first moves that Rich Kotite made when he became head coach of the Eagles was to hire Zeke Bratkowski as a quarterback coach. Bratkowski served in a similar capacity under Kotite from 1985-89 while Kotite was the Jets' offensive coordinator. While with the Jets the two helped quarterback Ken O'Brien achieve the lowest interception percentage in the NFL and consistently rank among the league leaders in passer rating. The 59-year old Bratkowski has

been an NFL assistant coach for 21 seasons, having served on the staffs of Green Bay (1969-70, 1975-81), Chicago (1972-74), Baltimore/Indianapolis (1982-84), New York Jets (1985-89), and most recently Cleveland (1990). After a collegiate career at Georgia, where he still holds many passing records and led the nation in punting as a senior, Bratkowski embarked on a 14-year playing career in the NFL. Selected in the second round by Chicago in 1953, Bratkowski played with the Bears in 1953 and from 1957-60 (served 3 years in the Air Force 1954-56), with the Rams from 1961-63, and with the Packers from 1963-68 and in 1971, completing 762 of 1,484 passes for 10,291 yards and 65 touchdowns. As a backup to Bart Starr with the Packers, he played on three Championship teams (1965-67) and won 10 of 12 games as a starter during that time. Bratkowski joined the Packers coaching staff in 1969 but returned as an active player in 1971. The 59-year old (10/20/31), Danville, IL, native lives with his wife Mary Elizabeth and has two children, son Robert 33 and daughter Kassie 27.

LEW CARPENTER, Receivers

In March, 1990, Lew Carpenter, a 26-year NFL veteran assistant joined the Eagles to tutor the club's receivers. In his first season, Carpenter was asked to coach a corps of rookie wideouts and two, in particular, responded with outstanding seasons. A starter since opening day, Calvin Williams set Eagles' rookie records for touchdowns (9) and receptions by a wideout (37). Fred Barnett, who moved into the starting lineup in week 6 when five-time Pro Bowler Mike Quick was sidelined, gave the Birds a consistent deep threat

and also posted impressive numbers (36-721-8TDs). Carpenter, during his 11 seasons with Green Bay (1975-85), was instrumental in the development of wide receivers James Lofton and John Jefferson, along with tight end Paul Coffman, all of whom made the Pro Bowl in 1983. As such, the three became the first trio of receivers from the same team to make the Pro Bowl in one season. Prior to his stint with the Packers, Carpenter served on the staffs of the Minnesota Vikings (1964-66), Atlanta Falcons (1967-68), Washington Redskins (1969-70), St. Louis Cardinals (1971-72), and Houston Oilers (1973-74). His most recent stint in the NFL was with Detroit in 1986-88 before joining the college ranks in 1989 at Southwest Texas State. The West Memphis, AK, native was an eighth round draft choice of the Lions in 1953, following a collegiate career at Arkansas. He spent three seasons with Detroit, leading the club in rushing in 1954 and 1955 before being traded to Cleveland (1957-58). Carpenter wrapped up his playing career with Green Bay (1959-63) as a member of Vince Lombardi's 1961 and 1962 World Championship teams. During his career, Carpenter played five different positions — split end, flanker, tight end, fullback, and halfback. The 59-year old Carpenter (1/12/32) was born in Hayti, MO. He and his wife Ann call New Braunfels, TX, home and have four grown daughters; Cheryl, Cathy, Lisa, and Rebecca.

BUD CARSON, Defensive Coordinator/Secondary

After defensive coordinator Jeff Fisher was offered a position with the Los Angeles Rams that would enable him to return to his native Southern California, Eagles' head coach Rich Kotite did not hesitate to call upon Bud Carson, one of the finest defensive coaches the NFL has ever known, to become the Birds' defensive coordinator/secondary coach. The two men coached together with the New York Jets from 1985-88 when Carson was the defensive coordinator and Kotite the offensive coordinator. In 1989, Carson

was appointed as Cleveland's head coach and led the Browns to a 9-6-1 record and the AFC Central Division title. (His first game as head coach was 51-0 shutout victory over Pittsburgh as the defense scored three touchdowns and caused eight turnovers.) The Browns went to the AFC Championship Game before losing, 37-21, to the Denver Broncos. After a 2-7 record in 1990, in which five of the Browns losses were to eventual playoff teams, Carson was released of his duties and replaced by assistant Jim Shofner. In 16 seasons as an NFL assistant coach, Leon H. (Bud) Carson's teams have made the playoffs 11 times, including two Super Bowl victories with the Pittsburgh Steelers (1974-75) and a Super Bowl appearance with the Los Angeles Rams (1979). The 59-year old Freeport, PA, native (4/28/31), gained notoriety as the architect of Pittsburgh's famed "Steel Curtain" defense of the 1970's of which four players have already been named to the Pro Football Hall of Fame (S Mel Blount, DT Joe Greene, LB Jack Ham, and LB Jack Lambert). After joining the

CARSON *(continued)*

Steelers as secondary coach in 1972, Carson immediately was named defensive coordinator and Pittsburgh reached post-season play in each of his six seasons with the club. Carson then joined the Rams where he served as defensive coordinator from 1979-1981. In his first season with the Rams, the Los Angeles defense led the league in fewest yards allowed (on 11/4/79 the Rams held Seattle to minus-seven yards of total offense which is an NFL record) and advanced to the Super Bowl, only to lose to the Steelers. Following stints with Baltimore (1982), Kansas City (1983), and the University of Kansas (1984), Carson joined the Jets and, in one season, helped New York's defense improve from the 21st ranked unit in the NFL to eighth best. The Carson-led defensive turnaround was a key factor in the Jets' 11-5 record and playoff berth that season, one that followed two consecutive 7-9 campaigns. Following a four-year collegiate career as a defensive back at North Carolina and a 30 month stint in the Marines, Carson began his coaching career at Scottsdale High (PA) in 1955 where he stayed for two years before joining the staffs at North Carolina (1957-64) and South Carolina (1965). In 1966, Carson joined the Georgia Tech staff and succeeded Bobby Dodd as head coach the following year. Carson's wife Linda is an experienced TV news journalist having worked in Atlanta, Los Angeles, Baltimore, Kansas City, Hartford, Pittsburgh, and Cleveland. The couple have four children Dana 30, Cliff 29, Gary 28, and Cathy 14.

PETER GIUNTA, Defensive and Special Teams Assistant

On February 25, 1990, new Eagles' head coach Rich Kotite completed his coaching staff by naming Peter Giunta as defensive and special teams assistant. Giunta (pronounced JUN-ta) will serve as an assistant to Eagles' defensive coordinator Bud Carson and also will help Dave Atkins with the special teams. On defense, Giunta will tutor the Birds' defensive backs along with Carson and will assist each of the defensive coaches with game-planning and

the breakdown of film. The Salem, MA, native began his coaching career in 1978 at Swampscott (MA) High School before joining the collegiate ranks in 1981 at Penn State University. After one year of work with the defensive staff, Giunta became the tight end coach for the next two seasons. In 1984 he joined the staff at Brown University as tight end/receivers coach and was named to the offensive coordinator's post in 1986. In 1988, Giunta became the tight end/receivers coach at Lehigh where he served for three seasons before joining the Eagles. The 34-year old Giunta, attended Northeastern where he played both running back and defensive back and majored in physical education. He and his wife Cindy have two children, daughter Christina 8, and son John 4.

DALE HAUPT, Defensive Line

Eagles' defensive line coach Dale Haupt is regarded by many as the top man at his position in the NFL today. Haupt served as the defensive line coach for the Chicago Bears (1978-1985) under defensive coordinator Buddy Ryan, and helped mold one of the toughest defenses in NFL history. The culmination of Ryan's and Haupt's work was the 1985 season when Chicago led the NFL in nine defensive categories and earned a 46-10 victory over New England in Super Bowl XX. Haupt, was instrumental in the

development of Pro Bowl players Richard Dent (SB XX MVP), Dan Hampton, and Steve McMichael. The Bears' defensive line recorded 50.5 of the team's NFL-record

72 quarterback sacks in 1984 (Chicago averaged nearly 48 sacks per year during his tenure). Since coming to the Eagles in 1986, Haupt has played a major role in the progress of DE Reggie White, who is regarded as one of the top defensive linemen to ever play the game. Under Haupt's guidance, White has earned five consecutive trips to the Pro Bowl, led the NFL in sacks twice, and earned NFL defensive player of the year honors in 1987. Last season, DT Jerome Brown joined White with an election to the Pro Bowl. One year earlier, White, Brown, and DE Clyde Simmons all reached double-figures in QB sacks as the Birds' set a club record with 62 sacks. Born in Manitowoc, WI (4/12/29), Haupt was a defensive lineman and linebacker at Wyoming (1950-53). He spent the 1954 preseason with the Green Bay Packers before returning to Wyoming to finish his degree in 1955. He formally began his college coaching career at Tennessee (1960-63, head freshman coach) before moving to Iowa State (1964-65), Richmond (1966-71), N.C. State (1972-76), and Duke (1977). Haupt and his wife Frances reside in Cherry Hill, NJ. They have a son Mac 33 and daughter Helen 24 ... pronounced: HOWPT.

DAN NEAL, Offensive Line

Dan Neal, an 11-year NFL veteran as a center with the Baltimore Colts and Chicago Bears, entered the coaching ranks for the first time in 1986 as the Eagles' special teams coach. After expanding his duties to assist offensive line coach Bill Walsh in 1987, Neal and Walsh now share the duties of tutoring the offensive line. Neal, 42 (8/30/49), joined the Bears in 1975 as a free agent after two seasons as a special teamer with the Colts (11th round draft pick in 1973). He played in 115 consecutive games for Chicago, including 81 straight

starts, before suffering a career ending back injury against the Eagles at Veterans Stadium in 1983. The Corbin, KY, native attended Louisville Atherton High before enrolling at the University of Kentucky where he was offensive captain in 1971 and 1972 and played in the East-West Shrine game as a senior. Neal and his wife Barbara reside in Cherry Hill, NJ, with their two daughters, Kelly 10 and Tiffany 7.

JIM VECHIARELLA, Linebackers

After Rich Kotite added Bud Carson to the Eagles' coaching staff as defensive coordinator, the next step was to hire Jim Vechiarella (pronounced vek-a-rell-ee) as linebacker coach. Vechiarella will have no trouble learning Carson's defensive schemes as this marks the fifth time in his career that the two men have worked together. Vechiarella and Carson also coached together on NFL staffs with the Rams, Chiefs, Jets and Browns. Most recently, Vechiarella spent the 1990 season as the defensive coordinator/linebackers coach for the

Browns under then head coach Carson. Prior to his stint in Cleveland, Vechiarella spent the 1986-89 seasons overseeing the Jets' linebackers. Vechiarella also distinguished himself as an NFL assistant at Kansas City (1983-85) and with the Rams (1981-82). A native of Youngstown, OH, the 53-year old Vechiarella (2/20/37) was a linebacker and center at Youngstown State. He began his coaching career at two Ohio prep schools, before moving to the college ranks, where he served as defensive coordinator at Youngstown State (1964-74), Southern Illinois (1976-77) and Tulane (1978-80). He also spent the 1975 season as defensive line coach for the World Football League's Charlotte franchise. Vechiarella and his wife Lucille have two sons Jim 28, Bill 26, and a daughter Lisa 24.

BILL WALSH, Offensive Line

Bill Walsh, who has been an offensive line coach on the professional level for the past 31 years, is coming off another successful season overseeing the Eagles' offensive line. Walsh is a key figure in the improvement of an offensive line that, in the last three seasons, has cut its quarterback sacks allowed per game from 6.5 to 3.1. The development of the line also was a major factor in the Birds' surge to become the number one rushing unit in the NFL in 1990. Prior to joining the Birds' staff in 1987, he served in the same capacity with

the Houston Oilers from 1983-86. Walsh, 63 (9/8/27), entered the pro coaching ranks in 1960 with the Dallas Texans (who became the Kansas City Chiefs in 1963) and spent 15 seasons with that organization. During his tenure as assistant to Hank Stram, the Texans won the AFL Championship in 1962 and the Chiefs played in Super Bowl I and defeated Minnesota in Super Bowl IV. In 1975, Walsh moved to the Atlanta Falcons under former Eagles' head coach Marion Campbell and was the only assistant retained when Leeman Bennett took over as head coach in 1977. During Walsh's eight years in Atlanta, the Falcons made the playoffs three times. Walsh was born in Phillipsburg, NJ, and attended Phillipsburg High. He went on to earn All-America honors as a center at Notre Dame before graduating in 1949. He then played with the Pittsburgh Steelers from 1949-1954. During that time, Walsh was named all-pro in 1952 and 1954 and was chosen to play in the first two Pro Bowls (1951 and 1952) in the game's revival after a nine-year absence. Walsh returned to his alma mater as a coach in 1955 and remained at South Bend for four years before moving to Kansas State for the 1959 season. He and his wife Shirley reside in Marlton, NJ. They have six children: Sharon 42, Pat 40, Cheryl 35, Michael 34, Kelly 31, and Christine 27; and six grandchildren.

JIM WILLIAMS, Strength and Conditioning

Another new addition to the Eagles' coaching staff, also from the Jets, is strength and conditioning coach Jim Williams. Overall, the 43-year old (3/29/48) native of Kingston, PA, has been a conditioning coordinator in the sports field for the last 19 years. After serving as assistant strength coach for the Nebraska football team from 1970-71, Williams went on to become strength coach at Arkansas (1972-76) and Wyoming (1977-78). He then jumped to the NFL ranks with the New York Giants in 1979 before beginning an

eight season stretch with the Jets in 1982. Williams spent last year assisting the training staff of the New York Islanders. "Jim's a specialist at what he does," said Kotite. "He's one of the forerunners of organizing a conditioning program and making it such a big part of athletic programs. He knows how to condition a football team. He's thorough, consistent, and when he talks you listen, because of his reputation and knowledge."

RICHARD WOOD, Running Backs

Richard Wood begins his second tour of duty with the Eagles after serving as the club's offensive coordinator/quarterback coach in 1983. This time around, however, the 55-year old (2/29/36) will tutor the Birds' running backs. A 12th round draft choice of Baltimore in 1959 out of Auburn, Wood played quarterback for six teams in seven NFL seasons. After serving as a backup to Johnny Unitas, Wood was the Jets' starter prior to "Broadway" Joe Namath's arrival in the

Big Apple and also has the distinction of being the first starting quarterback in Miami Dolphins' history. Wood also played for San Diego, Denver, and Oakland. Wood has spent 15 of the last 24 seasons coaching in the NFL. He began with Oakland from 1969-70, before joining Cleveland (1974), New Orleans (1976-77), Atlanta (1978-82), Philadelphia (1983), Kansas City (1987-88), and New England (1989-90). The Lanett, AL, native, started his coaching career at the University of Georgia from 1967-68, and also served on the collegiate staffs of Mississippi (1971-73), and Auburn (1986). Wood and his wife Peggy have a son, Bart 33, and daughter, Rhonda 31.

JOE WOOLLEY, Director of Player Personnel

Throughout his career, Joe Woolley, who became a member of the Eagles' organization in May, 1986, has been a highly respected judge of talent. Prior to joining the Eagles, Woolley, 53 (8/14/37), spent five years with the New Orleans Saints, first as a scout (1981-83) and then as director of scouting (1984-85). While directing the Saints' scouting operations, Woolley was responsible for establishing an extensive film library which became a model for the rest of the NFL. Woolley first entered the NFL ranks as an assistant in charge of quality control for the Houston Oilers from 1973-74. In that role, he was extensively involved in evaluating pro personnel before coaching special teams in 1975. After a two-year stint in private business (pipe manufacturing), he rejoined the Oilers as director of scouting from 1978-1980. A graduate of Strong High in his hometown and birthplace of Strong, AK, he attended Oklahoma State, where he lettered in football, baseball, and basketball (1960-61) and received a degree in education. He was a successful head coach in all three of those sports at Texarkana (AK) High School (1962-65) and Galveston (TX) Ball High (1966-72), leading both schools to state playoff berths in football. He and his wife Fran reside in Voorhees, NJ. Woolley has a son Scott 27, and stepson Matt 13.

TOM GAMBLE, Asst. to the Director of Player Personnel

Tom Gamble, who first worked for the Eagles' group sales and marketing departments in 1986, rejoined the organization in 1988. Since his return, Gamble has ascended from his role as an administrative assistant to his present position as the assistant to player personnel director Joe Woolley. Gamble stockpiles information on all players available in the college draft, serves as an area scout, negotiates player contracts, and assists in the organization of summer training camp. Gamble, 28 (2/14/63), also has been instrumental in the club's acquisition of a satellite dish giving the Eagles access to an extensive library of videotape on all potential draftees. During his two-year absence from the Eagles, Gamble served as assistant baseball coach and assistant to the athletic director at Glassboro (NJ) State College while earning his masters degree in physical education. As a collegiate pitcher, Gamble was an all-conference and all-district choice at High Point (NC) where he earned his B.S. degree. He is the son of Eagles' president Harry Gamble and is on the board of directors for the American Red Cross of Camden County.

His duties include covering several states from Texas to the West coast and assisting the Eagles during training camp. The 54-year old Hill is no stranger to Philadelphia having been a quarterback and punter for the Birds from 1961-68. During that time, Hill threw the third longest touchdown pass in Eagles' history, a 92-yard strike to Ben Hawkins against the New York Giants in 1968 before being traded to Minnesota following the third game of that season. WHAT THEY'RE SAYING ABOUT RANDALL CUNNINGHAM

"I can't play with [fear] in my mind. People say, 'Don't run, play it safe.' I can't do that. Running [with the ball] gives me another outlet. I feel safer running than I would standing in the pocket, waiting to get hit from the blind-side. Doug [Williams, the Redskins' MVP of Super Bowl XXII]

once said to me, 'Yeah, I used to run with the ball. Now I'm smart, I stay in the pocket.' I said 'No disrespect Doug, but I'd rather keep moving.' I'm gonna play this way for as long as I can because it works for me."

— **Randall Cunningham**

"His unique ability puts pressure on your defense on every play because you don't know when he's going to do something of an improvisational nature that just creates havoc with your defense."

— **former Giants' head coach Bill Parcells**

"Randall never ceases to amaze. He's always got something new. He's always doing things that make your bottom lip drop in awe."

— **all-pro WR Mike Quick**

"I want people to understand, whether it's practice or a game, I don't hold anything back. If you [don't hold anything back], you can live with your mistakes. Yes, I've been booed. But I want the people of Philadelphia to know that when I don't get it done, I feel worse than the person who boos, because I've let myself down as well."

— **Randall Cunningham**

"If you need Randall to play center, then he'll play center. If you need him to play guard, then he'll play guard. And with Randall, if you need him to throw the ball then go catch it, he'll do that, too."

— **Cowboys' LB Jessie Solomon**

"[Cunningham is] the most dangerous player in the game."

— **CBS-TV's Dan Fouts**

"To me, Randall Cunningham is the Halley's comet of quarterbacks. He's a talent that will come along once in a generation."

— **NFL Films' Steve Sabol**

WHAT THEY'RE SAYING ABOUT REGGIE WHITE

"Reggie White [is the best defensive lineman in the game today], of course. Who else? He's

WHITE (continued)

unbelievable, there's no question about it. Did I hesitate when I said his name? No, nobody would. He's unbelievable.

— 49ers' nose tackle Jim Burt

"In high school and college you're taught to hit the ground on a double-team. Here you're expected to take it on. I get double-teamed on every play, so I expect it....Sacks are great, and they get you elected to the Pro Bowl. But I've always felt that a great defensive lineman has to play the run and pass equally well.

— Reggie White on rushing the QB

"People are so worried about [Reggie's] speed that they forget about his strength. They try to get out there and set up before he beats them with speed, so they're a little off balance and then he'll just throw them over. I've seen him put 300-pounders on their butt a bunch of times. I get a kick out of that. No one guy can block him consistently. I mean, he's human, people can block him, but...it's inevitable he's going to beat you several times a game. You just know you're in for a real long afternoon and a potentially embarrassing one."

— Eagles' Ron Heller

"I've been telling [people] he's a nightmare. He's the best, he's the big dog. As [Cowboys' pro personnel director] Mr. [John] Wooten keeps telling me, 'The top dog.'"

— Cowboys' T Nate Newton

1990 GAME-BY-GAME REVIEW

Game 1, Sun., Sept. 9 NY Giants 27, Eagles 20 Giants Stadium 76,202

The Eagles fell to the Giants, 27-20 at the Meadowlands, after allowing a 10-6 halftime lead to crumble under three unanswered Giants' TDs. Philadelphia rallied from a 17-point deficit in the 4th qtr., but it was too little, too late. The Giants' took an early 3-0 lead on Raul Allegre's 38-yard FG after Everson Walls' INT of a Randall Cunningham pass on the third play of the game. After a second FG upped New York's lead to 6-0, Eagles' FS Wes Hopkins intercepted a Phil Simms pass and the Birds' offense started to click, marching to a FG and a TD. The TD, an 18-yd. HB option pass from Keith Byars to Anthony Toney gave the Eagles a 10-6 lead at intermission. The drive was keyed by TE Mickey Shuler's 25-yd. reception on a 3rd-and-17 play (Shuler started for Keith Jackson who was holding out). NY opened the 2nd half with a 9-play, 70-yd. drive, culminating in Simms' 12-yd. TD pass to RB Rodney Hampton. Then, after halting the Eagles on their first series, Dave Meggett returned a punt 68 yds. for a TD. The play gave NY a 20-10 lead and was considered by many to be the turning point in the game. After NY made the score 27-10 on Simms' 41-yd. TD strike to WR Mark Ingram, the Eagles' closed the gap to 27-17 as Cunningham capped a 14-play, 86-yd. drive with a 1-yd. sneak. The drive was costly in terms of time, however, using up 7:54 of the 4th quarter. Philadelphia then moved within a TD at 27-20 on Roger Ruzek's 29-yd. FG but NY recovered an on-side attempt and ran out the clock. In the end, the Eagles came up short on the scoreboard despite outdoing NY in many offensive categories.

Game 2, Sun., Sept. 16 Phoenix 23, Eagles 21 Veterans Stadium 64,396

After permitting the Eagles to take a 14-0 lead in the first quarter, the visiting Cardinals shut down their hosts and scored 16 second half points to earn a 23-21 victory at Veterans Stadium. Al Del Greco's 42-yd. FG with 24 seconds remaining provided the Cards with the win. Phoenix beat Philadelphia at its own game, creating turnovers and turning them into points. The Cards' defense created 3 takeaways (all in the 2nd half) to just one by the Eagles. On Philadelphia's first offensive series, QB Randall Cunningham's 34-yd. TD pass to rookie free agent WR Marvin Hargrove was set up by a 41-yd. flea-flicker from Cunningham to WR Calvin Williams. The Eagles' second TD also was set up by the long pass as Mike Quick's 39-yd. reception led to Cunningham's 1-yd. sneak. Leading 14-0 in the 2nd qtr, the Birds' failed to convert on 4th-and-2 at the Cards' 37. On the ensuing series, Phx. marched to a TD as rookie RB Johnny Johnson scampered 22 yds. to make the score 14-7 at the half. For the 2nd week in a row, the Eagles started the 2nd half slowly as Cunningham was INT'd by Tim McDonald, whose 28-yd. return to the Eagles' 13 set up Anthony Thompson's game-tying 1-yd. TD run. Philadelphia regained the lead on an 11-play, 89-yd. drive capped by Cunningham's 2-yd. TD pass to RB Heath Sherman. It was the Birds' last score of the day, however, as Phx. forced 2 turnovers and held Phila. to just 25 total yards in the 4th qtr. Following a Phx. FG that cut the Eagles' lead to 21-17, Phx. CB Jay Taylor returned an INT to the Eagles' 36 to set up another FG. The Eagles then failed to move the ball on offense and the stage was set as Phx. took possession at its own 17 with 2:42 remaining. With the help of a 26-yd. pass interference penalty on Ben Smith and the workhorse running of Johnson, Phx. drove 58 yds. and Al Del Greco booted his 3rd consecutive FG, the 42-yd. game-winner. In addition to the game, the Eagles lost the services of DT Mike Pitts who had two sacks before suffering a knee injury that would sideline him for 12 games, and T Matt Darwin who re injured a knee and was soon placed on IR for the rest of the season.

Following a Cunningham fumble on the Birds' first possession of the 2nd half, the Skins had an opportunity to add to their lead but missed another FG try. The Redskins did, however, increase their lead to 13-0 in the 4th qtr. on two Lohmiller FGs. The Eagles finally scored with 2:31 remaining as Barnett (who earlier had a diving 49-yd. TD catch nullified by a holding penalty) made a 9-yd. TD reception to cut the lead to 13-7. But the Redskins recovered a subsequent on-side kick and ran out the clock.

Game 7, Sun. Oct. 28
Eagles 21, Dallas 20
Texas Stadium, 62,605

The Eagles earned their first NFC East win of the year after orchestrating a 13-play, 85-yd. scoring drive in the final minutes to defeat the Cowboys, 21-20, at Texas Stadium. Early on, Dallas became the second consecutive opponent to drive into Philadelphia territory on their first two possessions but the defense held the Cowboys scoreless each time. On the day, 9 out of Dallas' 10 drives ended in Eagles' territory, but the Pokes could muster only one TD and two FGs (not including a 4th qtr. TD set up by a blocked punt). Another key factor in the game was Randall Cunningham's ability to keep his poise under pressure. His leadership and performance later on in the game-winning TD drive would be vintage Cunningham. The Eagles had taken an early lead when Cunningham's 10-yd TD pass to RB Anthony Toney capped an 80-yd drive. Trailing 7-0, Dallas had a 1st-and-goal at the Eagles' 10, but Wes Hopkins' intercepted a Troy Aikman pass. Hopkins had started at FS in place of rookie Ben Smith, who moved to the LCB spot for an injured Izel Jenkins in a lineup change that would last the remainder of the year. The Eagles countered by moving deep into Dallas territory but lost the ball, too, on RB Heath Sherman's fumble at the Cowboys' 6. Dallas then got a 43-yd FG from Ken Willis to cut the Eagles' lead to 7-3 at the half. On their first possession of the 2nd half, Dallas trimmed the deficit to 7-6 on

another 43-yd FG. Phila. then increased its lead to 14-6 early in the 4th qtr. as Sherman broke tackles en route to a 19-yd TD run (the longest TD run by an Eagles' RB since Herman Hunter raced 74 yds at Dallas on 11/24/85). The Cowboys, however, sliced the lead to a point as Aikman connected on two successive 29-yd passes, first to WR Michael Irvin and then for a TD to TE Jay Novacek. Dallas' Issac Holt then blocked Jeff Feagles' punt (it was the first suffered by the Eagles since October 1988 vs. Houston) and the Cowboys took over at the Eagles' 24. Three plays later, Dallas took the lead, 20-14, on RB Emmitt Smith's 2-yard TD run. But with 3:53 remaining, the Eagles successfully mixed the short passing game and some nifty scrambling by Cunningham in marching 85 yds on 13 plays, capping the drive with a 10-yd game-winning TD reception by WR Calvin Williams with 0:44 to play.

Game 8, Sun., Nov 4
Eagles 48, New England 20
Veterans Stadium 65,514

The Eagles produced their highest offensive output - in terms of both points and yards - since 1981 and had two players rush for over 100 yards for the first time since 1978 in a 48-20 rout of the Patriots. Randall Cunningham (8-124 rushing and 15-240-4TDs passing) and RB Heath Sherman (24-113 rushing) sparked an Eagles' offensive attack that generated 514 total yards. The last time Philadelphia posted better numbers was in 1981 when they scored 52 points at St. Louis on Nov. 8, and a week later totaled 574 yards vs. Baltimore at the Vet. Phila. churned out 304 yards on the ground - the team's highest output since Dec. 2, 1951 (307 yards at Wash.). On the day, the Birds scored on 8 of their 10 possessions, including two 80-yd. and four 70-yd. drives and

GAME 8 (continued)

Cunningham, whose 124 rushing yards were the 5th highest total ever by an NFL QB, became the first NFL signal caller ever to top 100 yards rushing and throw for 4 TDs in the same game. Roger Ruzek's 27-yd. FG gave the Eagles a 3-0 lead and New England tied the score with a 39-yd. FG. However, as was the case after every Patriots' score, the Birds countered with a TD drive of their own. The Eagles' first TD came courtesy of a 37-yd. pass from Cunningham to WR Fred Barnett. The Patriots later closed the gap to 13-10 as Marc Wilson (replacing Steve Grogan who was injured on a sack by FS Wes Hopkins) hit Irving Fryar with a 36-yd. TD pass. The Eagles two-minute offense then covered 80 yards, capping the drive with Cunningham's 37-yd. TD strike to Keith Jackson for a 20-10 at the half. In the 2nd half, Philadelphia continued its offensive dominance, scoring four TDs including 2 on passes by Cunningham and one on a 52-yard TD run by the QB (the longest of his career). Eagles' reserve FB Roger Vick closed the scoring with a 1-yd. TD run after carrying on all 7 plays of a 29-yd. drive.

Game 9, Mon., Nov. 12
Eagles 28, Washington 14
Veterans Stadium, 65,857

Philadelphia's defense accounted for three of the Eagles' four touchdowns and Heath Sherman ran for

124 yards on a team-record 35 carries as the Birds downed the Redskins 28-14 at Veterans Stadium in a Monday Night Football encounter. The win was the Birds' third straight and put them over the .500 mark for the first time in 1990 at 5-4. In contrast to the first meeting of these two NFC East rivals on Oct. 21 - when the Birds were held without a sack and without a takeaway - Phila. registered 3 sacks and 2 INTs. Offensively, the Eagles' running game rang up 165 yards on 41 carries. Sherman contributed the majority of the damage as he enjoyed his 2nd straight 100-yd. rushing game - marking the first time an Eagles' back topped 100 yards on the ground in two straight games since Wilbert Montgomery did so in 1981. Sherman also tied Steve Van Buren's 41-year old club record for carries in a game with 35. Both the carries and yards (124) topped his previous career highs (24-113) set a week earlier vs. NE. The Eagles scored first as William Frizzell returned an INT of a Jeff Rutledge pass 30 yds. for a TD. The Skins came back quickly, however, after a high snap forced Eagles' punter Jeff Feagles to run and eventually be flagged for intentional grounding. Wash. took over on the Birds' 12 and two plays later Rutledge threw an 8-yd. TD pass to TE Don Warren. Just before the half, the Eagles' drove to the Redskins' 12 with 0:12 to play. The drive ended there, however, when Cunningham was INT'd by Martin Mayhew in the end zone. In the 3rd qtr., the Eagles' defense turned up the heat when Reggie White recorded a sack pinning the Skins at their own 2. After a short punt, the Birds took over on Washington's 33, converted a 4th-and-4 play, and two plays later, Keith Byars found Heath Sherman on a HB option for a 9-yd. TD to give the Birds a 14-7 lead. Later in the quarter, FS Wes Hopkins sacked Rutledge on a blitz, forcing a fumble that Clyde Simmons returned 18 yds. for a TD. The sack knocked Rutledge out of the game (sprained thumb) and brought on Stan Humphries who fared no better as MLB Byron Evans batted his third pass in the air and White came away with his first career INT. White's 33-yd. return to the Skins' 9 set up Sherman's 2nd TD catch of the game. Wash. added a late TD as rookie RB Brian Mitchell, the Skins' emergency QB (in for Humphries who left the game with a sprained knee), led a scoring drive that he capped with a 1-yd. dive. The win elevated the Birds into a 2nd place tie with Wash. in the NFC East.

Game 10, Sun., Nov. 18 Eagles 24, Atlanta 23 Fulton County Stadium 53,755

The Eagles scored 17 points in the 4th qtr., including a 46-yd. FG by Roger Ruzek with 1:45 remaining to earn a 24-23 victory over the host Atlanta Falcons. The victory enabled the Birds' to stretch their winning streak to 4 games, tying their longest such streak under head coach Buddy Ryan. As was the case in Philadelphia's previous three wins, the Eagles turned up the heat in the second half in order to clinch the victory. Following the opening kickoff, Atlanta marched 72 yards to the Eagles' 3, but the Birds' defense held on 4th down. It marked the first of three times Atlanta would move inside the Eagles' 5, but would come away from those opportunities with just one TD. After a scoreless 1st qtr., the Falcons took a 7-0 lead on Tracy Johnson's 1-yd. TD plunge, Phila. seemingly tied the score, however, on Randall Cunningham's 36-yd. TD pass to WR Fred Barnett, but the play was nullified due to an illegal procedure penalty and the Eagles were forced to punt. Later in the half, the Eagles used the play-action pass to march 80 yards to a score on Cunningham's 1-yd. TD loss to Keith Jackson. Atlanta recaptured the lead at 10-7 with a 53-yd. FG by Greg Davis. In the 3rd qtr. after stretching the lead to 13-7, the Falcons failed to get six points after recovering an Eagles' fumble on the Phila. 35 and settled for a FG and a 16-7 lead. The Eagles' offense then got on track in the 4th qtr. as Cunningham completed a 17-yd. TD strike to Keith Jackson. Then, following an Atlanta fumble, Cunningham hit Williams for a 30-yd. TD to give the Eagles their first lead of the game at 21-16. Atlanta quickly recaptured the lead, however, on QB Chris Miller's TD pass to Andre Rison. Then, late in the qtr., following a poor Atl. punt, the Eagles got the ball at their own 47, and the stage was set for another game-winning drive. The Eagles marched 27 yards with help from a couple of short passes to Keith Byars, and Ruzek booted the game-winning FG.

Game 11, Sun., Nov. 25 Eagles 31, New York 13 Veterans Stadium 66,706

The Eagles scored 14 points in the 4th qtr. en route to their fifth consecutive win, a 31-13 decision over the previously unbeaten Giants at Veterans Stadium. The five-game winning streak was the longest of the Buddy Ryan era and longest since 1981 when the Birds started the season 6-0. The Eagles' offense established long, ball-controlled drives, dominating the time possession (38:39-21:21). Led by Randall Cunningham and the sure-handed Keith Byars, the Birds totaled 405 yds. of offense against a Giants' team that allowed only 231 yds. an outing coming into the game. Aside from winning the statistical battle, the Birds held all-pro LB Lawrence Taylor to one tackle and no sacks, by far his least effective game against Phila. in recent memory for which Ryan credited LT Ron Heller and RB Anthony Toney. On the other side of the ball, the Eagles' defense scored its third TD in as many games. Giants QB Phil Simms, the league's top rated passer at the time, completed only 17 of 40 passes and threw 2 INTs - doubling his season total. The Birds fumbled on two of their first three possessions, the second one by Byars in Eagles' territory, which led to the game's first score. The Birds responded as Cunningham hit Fred Barnett with a 49-yd. TD pass (it was the first TD pass by a QB to a wide receiver vs. NY in 1990). On their next possession, the Eagles took a 14-7 lead, marching 80 yds. in 16 plays, capping the drive with Cunningham's 1-yd. TD run, NY scored just before the half on Simms' 4-yd. TD pass to Mark Bavaro. It would be the last time NY would score on the day. Roger Ruzek booted a 39-yd. FG in the 3rd qtr. and Calvin Williams caught a deflected Cunningham pass for a 6-yd. TD and a 24-13 lead. Just 22 seconds later, Seth Joyner batted a Simms' pass in the air which fellow LB Byron Evans INT'd and returned 22 yds. for his first career TD.

Game 12, Sun. Dec. 2 Buffalo 30, Eagles 23 Rich Stadium, 79,320

Manuel 1-18, Carthon 1-7.

Despite trailing 24-0 in the 1st qtr., Philadelphia put together a fierce rally and cut the deficit to 24-23 in the third stanza but fell short, losing to the host Bills, 30-23. The loss snapped an Eagles' five-game winning streak. The Birds yielded 248 total yds. to Buffalo in the 1st qtr. as Bills' QB Jim Kelly led a no-huddle offense and completed his first 6 passes, including strikes of 71, 63, and 56 yds. that were aided by poor tackling in the Eagles' secondary. Most of the 1st qtr. damage came from veteran WR James Lofton who was 3-154, incl. a 63-yd. TD on the second play of the game and a 34-yd. catch that set up a FG. Kelly's 56-yd. TD pass to Andre Reed was followed by a 71-yd. pass to Lofton that set up a 4-yd. TD strike to Thurman Thomas. Behind QB Randall Cunningham, Phila. came back to score the next 23 points. The NFC offensive player of Nov. set up the Birds' first TD with a 51-yd. run that moved him ahead of Tobin Rote into 2nd place on the NFL's all-time rushing yds. list for QBs. The drive was capped by Cunningham's 7-yd. TD toss to TE Keith Jackson. After a Roger Ruzek FG, the Eagles capped a 16-point 2nd qtr. with a miraculous 95-yd. TD pass play from Cunningham to Fred Barnett - starting at his own 5 yd. line. Cunningham avoided a safety by ducking under the blind-sided rush of Bruce Smith, rolled left, and threw out of the end zone across his body 58 yds. in the wind to Barnett who outleaped a defender and ran the rest of the way to complete the second longest play in club history. Phila. then trimmed the Bills' lead to 24-23 on its first drive of the 2nd half as Cunningham drilled a 1-yd. TD pass to Keith Byars. The TD, however, was the Birds' final score of the day as the Bills' defense stiffened and hurried Cunningham on numerous occasions. On the day, Buffalo recorded 6 sacks while not allowing any. marking only the second time in 1990 that the Eagles' were held sackless. Trailing 30-23, the Birds nearly got the big play they needed when LB Seth Joyner INT'd Kelly near midfield but his attempted lateral was knocked down and recovered by Buf. who chewed 6:13 off the clock before missing a FG with 0:17 remaining.

Game 13, Sun., Dec. 9 Miami 23, Eagles 20 (OT) Joe Robbie Stadium 67,034

In their first regular season visit to Joe Robbie Stadium, the Eagles relinquished a 10 point 4th qtr. lead and fell 23-20 as Pete Stoyanovich's 39-yd. FG with 2:28 remaining in OT gave the Dolphins the win. For the second straight week, an Eagles' opponent scored on their first two possessions as Miami jumped out to an early 10-0 lead courtesy of Dan Marino's 28-yd. TD pass to Tony Martin and a 24-yd. FG. As they did a week earlier at Buffalo, the Eagles' took control in the 2nd and 3rd qtrs., scoring 20 unanswered points. Again, QB Randall Cunningham led the way with his passing and a team-high 94 yds. rushing. Meanwhile, the Eagles' defense surged halting Miami until late in the final qtr. On the night, the Eagles held Miami to 54 rushing yds. and forced Marino to attempt 54 passes - the most ever against the Birds - while sacking him twice and applying frequent pressure. The Eagles capped their first scoring drive with Cunningham's 3-yd. TD toss RB Keith Byars. RB Heath Sherman, who had 48 yds. rushing on the drive and was 11-72 rushing in the 1st half (incl. a 36-yd.), was forced to sit out the entire 2nd half due to back spasms. Following two Roger Ruzek FGs, the Eagles stretched their lead to 20-10 in the 4th qtr. on Cunningham's 45-yd. TD pass to Calvin Williams on a flea-flicker. Miami's offense, which had been held scoreless since their second possession of the game, got back on track with Marino's 6-yd. TD pass to Mark Duper that cut the Birds' lead to 3 pts with 5:10 remaining. Phila. was then unable to run out the clock and Miami took possession with 1:49 left at its own 12. Marino moved the Dolphins to midfield and on 4th-and-10 hit Duper for 12 yds. With 0:07 remaining, a pass interference penalty on Ben Smith cost the Birds 21 yds. and set up a 34-yd. FG that forced overtime. Phila. won the coin toss and moved to the Miami 40 before having to punt. The Eagles got the ball back but when forced to punt again, a bad snap helped give Miami possession at its own 43. From there, two straight completions of 12 and 14 yds. set up Stoyanovich's game-winning kick.

Game 14, Sun., Dec. 16 **Eagles 31, Green Bay 0** **Veterans Stadium 65,627**

The Eagles earned a 31-0 victory over Green Bay and, in the process, their first shutout since Nov. 23, 1989. The victory, coupled with losses by New Orleans and Minnesota, clinched a Wild Card spot for the Eagles as they advanced to post-season play for the third consecutive year. The Birds' defense allowed only 158 total yds., their lowest total since 12/4/80 vs. St. Louis, and sacked Packer QBs Anthony Dilweg and Blair Kiel 5 times. The defensive line, led by DE Reggie White and Clyde Simmons (1.5 sacks each) put constant pressure on Dilweg (who left in the 1st half with an injured arch) and Kiel, forcing them into a combined 14-33-141-0TDs (42.4%). The Birds' offense, which rang up 422 total yds., opened the scoring with RB Keith Byars' option pass to Anthony Toney for a TD. Then, after Rod Harris' 30-yd. punt return, Roger Ruzek's 34-yd. FG made it a 10-0 lead. The Birds took a 17-0 lead into the half on QB Randall Cunningham's 12-yd. TD pass to Byars. Following a scoreless 3rd qtr., Mike Bellamy recovered a fumbled fair catch attempt by GB's Jeff Query. One play later, Cunningham made a highlight film gem, capping his 17-yd. TD jaunt by hurdling a defender into the end zone for a 23-0 lead. The Birds finished the scoring as backup QB Jim McMahon orchestrated a 64-yd. drive which culminated in Thomas Sanders' 2-yd. TD plunge. The 31-0 final score gave the Eagles their first home shutout in since 12/20/81 vs. St. Louis (28-0).

Game 15, Sun., Dec. 23 **Eagles 17, Dallas 3** **Veterans Stadium 63,895**

Philadelphia continued its defensive dominance, holding opponents without a touchdown for the second straight week en route to a 17-3 victory over the visiting Cowboys. In the process, the Eagles' defense scored its fourth TD of 1990 when LCB Eric Allen returned a 4th qtr. INT off Babe Laufenberg 35 yds. for his first pro TD. The victory, coupled with Washington's loss at Indianapolis, moved the Eagles into the driver's seat for the top NFC Wild Card spot and a home playoff game. While the Eagles' offense was not fully in sync, the defense certainly was. Ranked #1 in the NFL vs. the run, Phila. held Dallas and star rookie RB Emmitt Smith to 74 rushing yds. DE Clyde Simmons' 1st qtr. hit on Troy Aikman knocked the Cowboys' QB out of the game with a separated shoulder, forcing backup Laufenberg into action against a pass rush that was bolstered by the return of DT Mike Pitts after a 12-game absence (knee injury). Laufenberg completed only 36% (13-36) of his passes and threw 4 INTs - the most collected by the Birds since week 6 of '89 at Phx. Allen grabbed two errant Dallas passes; Ben Smith picked one off in the end zone, and William Frizzell INT'd one at the Eagles' 3 - Frizzell and Terry Hoage started at the safety positions while Andre Waters (back) and Wes Hopkins (calf) rested. Offensively, the Birds struggled, collecting more rushing yds. than passing as Randall Cunningham was held without a TD pass for the first time in 13 games. The only offensive scoring came in the 1st half on an 18-yd. TD pass from Keith Byars to Calvin Williams and a Roger Ruzek FG. For Byars, it was his fourth TD pass of 1990 in as many attempts (and his second in two weeks).

Game 16, Sun., Dec. 29 Eagles 23, Phoenix 21 Sun Devil Stadium 31,796

Quarterback Randall Cunningham threw three TD passes as Philadelphia clinched home field advantage for their Wild Card showdown against the Redskins with a 23-21 victory at Phoenix. For the fifth consecutive week, the Eagles' defense - which entered the game #1 in the NFL against the run - held their opponent under 100 yards rushing. Phila. grabbed a 13-0 lead on TD strikes from Cunningham to Fred Barnett and Calvin Williams. Williams' scoring reception was his ninth of the year and marked a new Eagles' rookie record for TD grabs. After Phoenix cut the lead to 13-7 on Timm Rosenbach's 12-yd. TD pass to Roy Green, the Eagles threatened to increase their lead before halftime as Cunningham led a two-minute drill to the Cards' 9 before throwing an INT. Phila. did increase its lead in the 4th qtr. courtesy of Cunningham's 3-yd. TD toss to Barnett and a Ruzek FG. However, as was the case in week two when Phoenix scored 9 unanswered points to upset the Eagles, the Cards once again staged a fierce comeback. Phoenix trimmed the Eagles' lead to two points on TD passes to Ricky Proehl and J.T. Smith. But after a failed outside kick by the Cards, Phila. churned out a first down and ran out the clock to preserve the win. As was the case in the previous two games when Cunningham gave way to Jim McMahon in the 4th qtr. in order to rest his bruised thigh, Cunningham was pulled from the game with 0:04 to go in the 3rd qtr. and the Eagles on top.

NFC Wild Card Game, Sun. Dec. 31 Washington 20, Eagles 6 Veterans Stadium 65,287

For the third straight season, the Eagles were eliminated from the playoffs in the first round. The loss also was the second consecutive Wild Card playoff loss at home and marked the end of the Buddy Ryan era. The fiery head coach led the Birds to a 43-35-1 regular season record in his five-year tenure but was unsuccessful in his three post-season contests. This game started well for the Birds as on their first possession, QB Randall Cunningham hit TE Keith Jackson for a 66-yd. catch-and-run play to the Redskins' 11. However, a FG was all the Birds could muster and after another FG the Birds had a 6-0 lead midway through the 2nd qtr. The Birds then took the lead with a TD pass from Mark Rypien to Art Monk. With little more than 1:30 left before halftime, LCB Ben Smith tackled RB Earnest Byner causing an apparent fumble which he returned 94 yds. for an Eagles' TD. Unfortunately for the Birds, the replay official ruled that it was contact with the ground and not Smith that caused Byner to lose control of the ball and Wash. maintained possession on the Phila. 6. Four plays later the Birds closed the half with a FG and a 10-6 lead. The 3rd qtr. began uneventfully until Wash. added a FG on its third series. On the Birds' next series, Ryan inserted backup QB Jim McMahon in an effort to jumpstart the sluggish Eagles' attack which to that point had already suffered four sacks and two lost fumbles. However, McMahon fared no better than Cunningham throwing three straight incompletions. The move, though, seemed to rally Wash. who subsequently marched 55 yds. for a TD in 5 plays. With the score then 20-6, Cunningham returned at QB but the Eagles' offense continued to sputter on four 4th qtr. possessions.

The Eagles' Story

1933—Frankford Yellowjackets' franchise in the NFL awarded to syndicate headed by Bert Bell and Lud Wray for \$2500. Club christened "Eagles" in honor of the symbol of the New Deal and the NRA. Eagles and Chicago Bears play in Philadelphia's first Sunday game (Nov. 12) at Baker Bowl. Game ends in a 3-3 tie.

1935—General manager Bert Bell proposes an annual college draft to equalize talent in the league. Proposal is adopted on May 19 for the 1936 season.

1936—Eagles have first choice in the inaugural college draft and select University of Chicago back Jay Berwanger but fail to sign him. Bell becomes sole owner of the team with \$4,000 bid. Playing site for home games moves from Baker Bowl to Municipal Stadium.

1939—Davey O'Brien, Texas Christian's All-America quarterback, signs with the Eagles for a reported \$12,000 per year salary and percentage of the gate. O'Brien plays in every game and sets NFL passing yardage record with 1,324 yards. On October 22, the Eagles play in the first televised pro football game and defeat the Brooklyn Dodgers, 23-14, at Brooklyn Ebbets Field. Allan "Skip" Walz broadcasts the game for NBC.

1940—Home playing site switches from Municipal Stadium to Shibe Park (later known as Connie Mack Stadium). Art Rooney of Pittsburgh buys half interest in the Eagles after selling the Pittsburgh franchise to Alexis Thompson of New York.

1941—Rooney and Thompson swap franchises, Rooney returning to Pittsburgh and Thompson taking over the Eagles. Bert Bell joins Rooney as a full-time partner in Pittsburgh. Thompson hires Earl (Greasy) Neale as head coach of the Eagles.

1943—Eagles merge with Pittsburgh Steelers to form the "Steagles" due to manpower shortage during World War II. Merger dissolved at end of season.

1944—First draft choice Steve Van Buren debuts as Eagles' halfback. Team finishes in second place with 7-1-2 record.

1945—Team again finishes in second place with 7-3 record and leads league in scoring with 272 points. Van Buren leads NFL with 838 rushing yards and 110 points.

1946—Team finishes second for third straight year with 6-5 record.

1947—Rookie end Pete Pihos, Van Buren, and Bosh Pritchard combine with an overpowering defense to lead Philadelphia into the NFL championship game for the first time but the Chicago Cardinals earn the NFL title with a 28-21 victory at icy Comiskey Park.

1948—Eagles win their first NFL championship, defeating the Chicago Cardinals, 7-0, in a blinding snowstorm at Shibe Park. Team finishes with overall record of 10-2-1.

1949—Alexis Thompson sells Eagles for \$250,000 to a syndicate headed by local businessman James P. Clark. Vince McNally is named general manager. University of Pennsylvania All-America center-linebacker Chuck Bednarik is a first round draft choice. Eagles win third straight Eastern Division title and defend their NFL championship with a 14-0 victory over the Los Angeles Rams. Team finishes with overall record of 12-1.

1951—Alvin (Bo) McMillan replaces Greasy Neale as head coach after a 6-6 season in 1950. McMillan becomes ill the night before the season opener and is replaced by Wayne Millner. End-placekicker Bobby Walston is named rookie of the year.

1952—Jim Trimble succeeds Wayne Millner as head coach. Team rides strong defense to 7-5 second place finish.

1953—Bobby Thomason and Adrian Burk combine to pass for a league-high 3,089 yards. Pete Pihos catches 63 passes for 1,049 yards and 10 touchdowns to lead league. Eagles finish in second

place and snap Cleveland's 11-game winning streak with 42-27 win in season finale.

1954 — Bobby Walston leads league in scoring with 114 points. Eagles finish second for third consecutive year with second straight 7-4-1 record.

1955 — Pihos again leads all NFL pass receivers with 62 catches for 864 yards. Joseph A. Donoghue, Eagles' vice president/secretary, is elected assistant treasurer of the NFL.

1956 — Hugh Devore replaces Jim Trimble as head coach.

1957 — Rookie QB Sonny Jurgensen highlights a 4-8 season by passing Eagles to a 17-7 upset of the NFL Eastern Division Champion Cleveland Browns.

1958 — Buck Shaw signs as head coach replacing Hugh Devore. Eagles acquire quarterback Norm Van Brocklin in trade with Los Angeles. Team moves home games from Connie Mack Stadium to University of Pennsylvania's Franklin Field and attendance almost doubles.

1959 — With Pete Retzlaff and Tommy McDonald his chief targets, Norm Van Brocklin passes Eagles to 7-5 record and second place tie with Cleveland.

1960 — QB Norm Van Brocklin and Chuck Bednarik, who plays 60 minutes at center and linebacker, pace the Eagles to their first Eastern Division title in 11 years. The Birds then win their third NFL championship with a come-from-behind 17-13 victory over Green Bay at Franklin Field. Van Brocklin, the league's MVP, and head coach Buck Shaw both announce their retirements at the end of the season.

1961 — Nick Skorich replaces Buck Shaw as head coach and Sonny Jurgensen takes over as the starting quarterback. Despite Jurgensen's record-setting season as a passer and a 10-4 record, the Eagles fail to repeat as division champions.

1962 — Injuries in unprecedented numbers hit Eagles as the team wins only three games and falls to last place.

1963 — RB Timmy Brown sets a then NFL record for total offense (2,436 yards; 841 rushing, 487 receiving, 11 passing, 945 kickoff returns, and 152 punt returns) in a season. Developer Jerry Wolman purchases the franchise.

1964 — Former Chicago Cardinals and Washington Redskins coach Joe Kuharich signs as head coach and begins a series of major trades to rebuild the club.

1966 — After extensive roster changes, the Eagles finish 9-5 for their first winning season in five years.

1967 — Quarterback Norm Snead and flanker Ben Hawkins set team passing and receiving records, respectively, but injuries to other key players contribute to a disappointing 6-7-1 record and a second place finish.

1969 — Leonard Tose purchases the franchise from Jerry Wolman for \$16.1 million, at the time a record price for a professional sports team. Tose names former Eagles' receiving great Pete Retzlaff as general manager and Jerry Williams as head coach.

1971 — The Eagles leave Franklin Field for a new home at Veterans Stadium. After three consecutive crushing losses at the beginning of the season, assistant Ed Khayat replaces Jerry Williams (who had led the club to only a 3-10-1 mark in 1970) as head coach.

1972 — After a stormy 2-11-1 season, Tose accepts general manager Retzlaff's resignation and releases the entire coaching staff. A bright spot, however, is Harold Jackson who leads the NFL in receptions and receiving yards (62-1,048).

1973 — Under new coach Mike McCormick and new quarterback Roman Gabriel, the Eagles have an exciting offensive season but can muster only a 5-8-1 record. In his first year as a full-time receiver, Harold Carmichael becomes the second consecutive Eagle to lead the NFL in receptions (67).

THE EAGLES' STORY *(continued)*

1974 — Under newly appointed general manager Jim Murray, the Eagles trade with Cincinnati and acquire LB Bill Bergey. Bergey bolsters the defense and wins Pro Bowl honors along with TE Charlie Young, who becomes the third consecutive Eagle to lead the league in pass receptions (63).

1976 — After a 4-10 season in 1975, Tose appoints 39-year old Dick Vermeil of UCLA as head coach but the Birds again earn a 4-10 mark. Bergey wins All-NFC and Pro Bowl recognition.

1977 — QB Ron Jaworski is obtained from the Los Angeles Rams in exchange for the rights to TE Charlie Young. Bill Bergey, keying the newly-installed 3-4 defense of coordinator Marion Campbell, wins all-pro and all-conference honors and is selected to play in his third Pro Bowl. The Birds show improvement on the field but earn only one more victory than the previous year.

1978 — The Eagles post a 9-7 record, their first winning season since 1966, and make the playoffs for the first time since 1960. They lose the NFC Wild Card playoff game in Atlanta, however, 14-13 as the Falcons score two 4th-quarter TDs and Eagles' Mike Michel misses a 34-yard FG try with 1:34 to play. Wilbert Montgomery, in his first starting season, rushes for 1,220 yards to become the first Eagle since Steve Van Buren to surpass 1,000 in a season.

1979 — With an 11-5 regular season record — their best since 1961 — the Eagles tie Dallas for first place in the NFC East and go to the playoffs as a wild card team. After beating Chicago, 27-17, in the Wild Card Game, the Birds are upset at Tampa Bay, 24-17 in a divisional playoff round. Wilbert Montgomery sets a club record with 1,512 rushing yards, and Harold Carmichael sets a then NFL record on Nov. 4, catching a pass in his 106th consecutive game. Rookie barefoot kicker Tony Franklin boots the second longest FG in NFL history — 59 yards — in a 31-21 victory at Dallas. Dick Vermeil is voted NFL coach of the year.

1980 — The Eagles win 11 of their first 12 games and go on to a 12-4 mark and the NFC East championship. The Birds trounce Minnesota 31-16, in the divisional playoff round and then upend Dallas, 20-7 at Veterans Stadium, to win the NFC title and a berth in Super Bowl XV. The Oakland Raiders prevail in that game, however, 27-10. Ron Jaworski leads the NFC with a 90.9 passing rating while throwing for 3,527 yards and 27 touchdowns. He is named NFL player of the year by the Maxwell Football Club and NFC player of the year by UPI. Harold Carmichael's then-record NFL receiving streak is snapped at 127 games when he fails to catch a pass in the regular season finale at Dallas after sustaining a back injury in the first half.

1981 — After building a 6-0 record early in the season, the Birds struggle in their final eight games, post a 10-6 record and appear in the playoffs for the fourth consecutive year but are upset at home in the NFC Wild Card Game by the NY Giants, 27-21. The Birds' defense ranks first in the NFL in fewest yards allowed (4,447) and fewest points allowed (221). On offense, Harold Carmichael enjoys the third 1,000-yard receiving year of his career and Wilbert Montgomery rushes for 1,402 yards.

1982 — An NFL players' strike takes place after two games and stops play for eight weeks. When play resumes on November 21, the long layoff hurts the Eagles. After splitting their first two games of the season, the Birds come back from the strike to lose four in a row and miss the playoffs for the first time since 1977. A 24-20 Eagles' victory at Dallas on December 26 is the last victory in the Philadelphia career of head coach Dick Vermeil, who resigns shortly following the season after compiling a 55-51-0 overall record.

1983 — Marion Campbell replaces Dick Vermeil as head coach after six seasons as the Eagles' defensive coordinator. Owner and president Leonard Tose announces in January that his

daughter, Susan Fletcher, the Eagles' vice president and legal counsel, would eventually succeed him as primary owner of the Eagles. After winning four of their first six games, the Eagles become mired in a seven-game losing streak and finish with a 5-11 record. The Birds' offense is highlighted by first-team all-pro and AFC-NFC Pro Bowl selection Mike Quick, who leads the league and sets club records with 1,409 yards receiving on 69 catches.

1984 — After a 1-4 start, the Eagles post a 5-5-1 record over their final 11 games. Philadelphia's swarming defense sets a then club record of 60 quarterback sacks and is the catalyst for the team's improved play. Wilbert Montgomery establishes the Eagles' career rushing record for yards (6,538) and attempts (1,465) surpassing the marks set by Pro Football Hall of Famer Steve Van Buren from 1944-1951. Kicker Paul McFadden establishes an Eagles' season scoring record with 116 points (tops among rookies), surpassing Bobby Walston's 30-year mark of 114, and is named NFC rookie of the year. Ron Jaworski suffers a broken leg at St. Louis in week 13, snapping his streak of 116 consecutive starts (believed to be an all-time record for NFL quarterbacks). Mike Quick is selected to the AFC-NFC Pro Bowl for the second straight year.

1985 — On March 12, Leonard Tose, the Eagles' owner since 1969, announces an agreement to sell the team to Norman Braman and Ed Leibowitz, highly successful automobile dealers from Florida for a reported \$65 million. After obtaining the approval of the other NFL owners and fulfilling the terms of the transaction, Braman officially becomes the Eagles' new owner on April 29. That same day, Braman elevates Harry Gamble, general manager since February 4, to vice president-general manager overseeing day-to-day operations of the club. All-time Eagles' rushing leader Wilbert Montgomery does not report to training camp and is traded to Detroit for LB Garry Cobb in preseason. The Eagles again overcome a 1-4 start, but fall off the pace and finish 7-9. Head coach Marion Campbell is released on December 16, and Fred Bruney takes over as interim head coach for final game at Minnesota. Mike Quick, who catches 71 passes to break his own club season record, and Wes Hopkins represent Philadelphia in the AFC-NFC Pro Bowl.

1986 — Buddy Ryan, defensive coordinator of the Chicago Bears' Super Bowl XX Champions, is named the 17th head coach in Eagles' history on January 29. On July 16, Norman Braman becomes the sole owner of the team, purchasing the remaining 35 percent from his brother-in-law Ed Leibowitz. Harry Gamble is promoted to president-chief operating officer. Ryan makes sweeping changes in the Eagles' roster, keeping young players and releasing several veterans. The youthful Birds struggle to a 5-10-1 record against the toughest schedule in the league. The Birds place two players on the AFC-NFC Pro Bowl roster: WR Mike Quick and DE Reggie White. White ties a Pro Bowl record with 4 sacks and is named MVP of the game.

1987 — In March, Ron Jaworski, who set nearly every club passing record from 1977-1986, is put on waivers after the club decides not to guarantee his contract. The Eagles split their first two games of the season before the NFL was beset by a players strike. After all games of Week 3 were cancelled, the NFL resumed play with replacement teams for the next three weeks. The Birds' replacement team goes 0-3 and sets the stage for a surge by the regular players when they return to work. Philadelphia's regulars proceed to win three straight after the strike and move into a tie for 2nd place in the NFC East. They go on to finish 7-8 overall (7-5 in non-strike games) and due to a tie-breaking system, rank 4th in the NFC East behind Dallas and St. Louis who also posted 7-8 marks. Offensively, WR Mike Quick earns his fifth consecutive trip to the AFC-NFC Pro Bowl while QB Randall Cunningham (Pro Bowl 1st alternate) emerges as a rising talent. Cunningham threw 23 TD passes and became the first QB to lead his team in rushing

THE EAGLES' STORY *(continued)*

(505 yards) since the Bears' Bobby Douglas did so in 1972. The defense was led by DE Reggie White, who was named the NFL's defensive player of the year. White's 21 sacks set an NFC record and fall one shy of the NFL mark.

1988 — The Eagles' 1988 highlight film was appropriately titled "Living on the Edge," as the Birds took a number of games down to the wire en route to a 10-6 record and the NFC Eastern division title. Under third-year head coach Buddy Ryan, the Eagles post the NFL's best mark (6-1) over the final seven weeks of the regular season. But their playoff fate is not sealed until moments after the conclusion of their 23-7 victory at Dallas in week 16. It is then that N.Y. Jets' QB Ken O'Brien throws a TD pass to Al Toon to defeat the Giants and ensure the division title for the Eagles. Philadelphia then travels to Chicago for an NFC divisional playoff game against the Bears and a place in NFL history. The game, which begins in sunny, 29 degree weather, would later be dubbed "The Fog Bowl," after a thick fog rolls off Lake Michigan late in the 2nd quarter. Due to the fog, visibility on the playing field was extremely difficult and the Bears prevail, 20-12. The shining season included the selection of QB Randall Cunningham, DE Reggie White and TE Keith Jackson as starters in the AFC-NFC Pro Bowl. Cunningham, who sets a number of Eagles' single-season passing records and leads the club in rushing for the second straight season, earns Pro Bowl MVP honors. He also wins the Maxwell Football Club's Bert Bell Award as the NFL's top player. White leads the NFL in sacks for the second consecutive year and Jackson sets an Eagles' receiving record with 81 catches en route to earning rookie of the year honors from The Sporting News.

1989 — The Eagles used an aggressive, ball-hungry defense — which led the NFL in takeaways (56) and interceptions (30), and set a team record with 62 QB sacks — to improve their regular season record to 11-5. Philadelphia, however, finished second to the Giants in the NFC East (despite two victories in head-to-head competition) and faced the LA Rams in the Wild Card playoff. Although playing a post-season game at Veterans Stadium for the first time since 1981, the Birds fell 21-7. QB Randall Cunningham posted similar numbers to his superb '88 campaign despite missing receivers Mike Quick and Keith Jackson for most of the season due to injuries. A deeper loss came on December 9, when quarterback coach Doug Scovil passed away. The second alternate to the Pro Bowl, Cunningham started for the NFC squad when injuries kept the other QBs from participating. He was joined by Reggie White, Eric Allen (who led the NFC in interceptions with 8), and Jackson.

1990 — In February, Buddy Ryan hired Rich Kotite as offensive coordinator to improve the Eagles' sluggish attack. At season's end, the offense led the NFL in rushing (2,556) and time of possession (33:19) and the NFC in scoring (396) and TD passes (34). On the other side of the ball the defense led the NFL in stopping the run (1,169), thereby making the Birds the first team to lead the league in both rushing categories since Chicago did so in 1985. A 10-6 record put Philadelphia in the playoffs once again, but the Eagles suffered their third opening round defeat in as many seasons. The 20-6 Wild Card Game loss to Washington signaled an end to the five-year Ryan era. On January 8, 1991, owner Norman Braman announced that Ryan would not be offered a new contract. On the same day, he elevated Kotite to the head coaching position noting that it was time for the Eagles "to reach the next plateau." Under Kotite, QB Randall Cunningham flourished with an NFC-leading 30 TD passes, 942 rushing yards, and a selection to the Pro Bowl while rookie WRs Calvin Williams and Fred Barnett combined to make 17 TD receptions. TE Keith Jackson, DE Reggie White, and DT Jerome Brown also earned Pro Bowl berths but RB Keith Byars, who tied a team record with 81 receptions and also threw 4 TD passes, was overlooked.

EAGLES' CHAMPIONSHIP GAME REVIEW

1947 NFL CHAMPIONSHIP GAME

Chicago 28, Eagles 21

December 28, 1947 at Comiskey Park

A frozen field in Comiskey Park did not prevent an offensive game as the Chicago Cardinals defeated the Philadelphia Eagles 28-21 in their first NFL championship playoff. The Cardinals' Elmer Angsman set a record by rushing for 159 yards in 10 carries, scoring twice on 70-yard runs. Philadelphia's Tommy Thompson set a

record for pass completions (27-44-297-1TD) and returned a punt 75 yards for another TD. The Cardinals' Charlie Trippi also scored 2 TDs on a 44-yard run from scrimmage and a 75-yard punt return. Steve Van Buren, the NFL's leading ground gainer with 945 yards during the season, gained only 26 yards on 18 carries due to the slippery conditions.

The Cardinals, who had started the game wearing basketball shoes, had a 7-0 lead after Trippi's 44-yard TD run with 8:38 left in the first quarter. The Eagles themselves changed to sneakers after being penalized

for illegal equipment, but trailed 14-0 before scoring on Thompson's pass to William (Pat) McHugh, who caught a 36-yard pass on Chicago's 17 and completed a 53-yard play.

Philadelphia never got closer than a touchdown as the Cardinals held leads of 21-7 and 28-14 in the second half. The Birds did lead 357-336 in total offense, partly because Paul Christman of the Cardinals completed only 3 of 14 passes for 54 yards as the Eagles eight-man defensive line succeeded in pressuring Christman into hurried passes.

1948 NFL CHAMPIONSHIP GAME

Eagles 7, Chicago 0

December 19, 1948 at Shibe Park

After many years of waiting, the Philadelphia Eagles finally won the National Football League championship. Playing in a driving snowstorm at Shibe Park, Coach Greasy Neale's team triumphed over the champion Chicago Cardinals 7-0.

A protective tarpaulin was not removed from the playing field in Shibe Park until 30 minutes before the kickoff but snow blanketed the entire field by game time.

Of the 36,309 persons who bought tickets and assured a sellout, a total of 28,864 braved the storm with the temperature below the freezing mark to watch the title game, which began a half hour later than scheduled because the snow made removal of the tarpaulin a difficult operation. The sidelines were marked by ropes tied to stakes and conditions were so adverse that NFL commissioner Bert Bell decreed that while the 10-yard first-down chain would be used, there would be no measuring; referee Ron Gibbs would be the final judge of all first downs.

The Eagles started the game's only touchdown drive near the conclusion of the third quarter when the Cardinals' Elmer Angsman fumbled a handoff from Ray Malouf that Eagles' lineman, Frank (Bucko) Kilroy, recovered on the Cards' 17. Three plays into the fourth quarter, Steve Van Buren scored on a five-yard run and Cliff Patton kicked the PAT.

Van Buren had pounded out 98 yards in 26 carries. Bosh Pritchard rushed for 67 yards and Thompson ran mainly up the middle for 50 yards. The rugged weather conditions made it almost impossible to complete passes. Thompson was 2 out of 12 for 7 yards while Malouf threw 3 of 8 for 35 yards. Kicking was just as

difficult; Patton attempted 3 field goals but made none while Pat Harder of the Cardinals bobbled his only attempt.

1949 NFL CHAMPIONSHIP GAME

Eagles 14, Los Angeles 0

Dec. 18, 1949 at LA Memorial Coliseum

The Philadelphia Eagles, in the NFL title game for the third consecutive year, defeated the Los Angeles Rams 14-0 as halfback Steve Van Buren set records with 31 carries and 196 yards gained. Van Buren achieved the record after a storm, that began 24 hours before kickoff, dropped almost two inches of rain on the muddy Los Angeles Coliseum field. A crowd of more than 60,000, which would have set a playoff record, was expected before the storm but only 22,245 attended the game.

With all-pro Van Buren carrying the ball, the Eagles were able to control possession for 70 plays on 274 rushing yards. The Rams rushed for only 21 yards and did not advance the ball further than the Eagles' 26-yard line. The Birds scored their first TD in the second quarter on a 31-yard pass from quarterback Tommy Thompson to Pete Pihos.

The Eagles' other score came in the third quarter as defensive end Leo Skladany blocked Bob Waterfield's punt from the 5-yard line. The snap of the ball was high and Waterfield had no chance to get the kick away. Skladany picked up the bouncing ball on the 2-yard line and scored.

The victory marked the Eagles second straight shut-out in the NFL title game, climaxing the rise that began when Earle (Greasy) Neale was hired as coach in 1941.

EAGLES' CHAMPIONSHIP GAME REVIEW (continued)

1960 NFL CHAMPIONSHIP GAME

Eagles 17, Green Bay 13

December 26, 1960 at Franklin Field

The Philadelphia Eagles overcame leads of 6-0 and 13-10 by the Green Bay Packers to score a 17-13 victory for their first NFL championship in 11 years.

Bill Quinlan intercepted Norm Van Brocklin's pass on the first play of the game and Eagles' rookie Ted Dean fumbled on the Birds second possession. Five plays later the Packers' Paul Hornung kicked a 20-yard field goal. Another Hornung field goal increased Green Bay's lead to 6-0 in the second quarter before Philadelphia got on the scoreboard with a two-play, 57-yard drive. Van Brocklin passed 22 yards to Tommy McDonald, then teamed with McDonald on a 35-yard TD pass.

A Bobby Walston field goal for Philadelphia made it 10-6 at the half, but Green Bay took a 13-10 lead in the first two minutes of the fourth quarter. Bart Starr's seven-yard pass to Max McGee marked the Packers' only touchdown. On the ensuing kickoff, Dean returned the ball 58 yards to the Packers' 39. Dean then completed the drive with a 5-yard TD run.

Chuck Bednarick endured 58 minutes of the contest — playing center on offense and linebacker on defense.

SUPER BOWL XV

Oakland 27, Eagles 10

Jan. 25, 1981 at New Orleans Superdome

The Eagles' first Super Bowl appearance was a disappointing one as they fell behind early and could never play the type of football that had made them champions of the National Football Conference. Behind quarterback Jim Plunkett, the game's MVP, the Raiders jumped out to a 14-0 lead in the first period. The first score, a two-yard pass from Plunkett to Cliff Branch, was set up by an Oakland interception and return to the Eagles' 30-yard line with less than two minutes elapsed in the opening period. Plunkett followed late in the period with an 80-yard scoring pass to running back Kenny King. The Eagles trailed by 14-3 at halftime and by 24-3 after three periods before Keith Krepfle scored the only Philadelphia touchdown on an 8-yard pass reception from Ron Jaworski. A first period apparent touchdown toss of 40 yards from Jaworski to Rodney Parker was nullified by an illegal motion penalty against the Eagles. That score, if it had stood, would have made the score 7-7 at the time and might have gotten the Eagles untracked.

1980 NFCCAMPIONSHIP GAME

Eagles 20, Dallas 7

January 11, 1981 at Veterans Stadium

With only two healthy wide receivers and a passing game that was hampered by frigid temperatures and blustery winds, the Eagles rode a tremendous defensive effort and Wilbert Montgomery's 194-yard rushing performance to the NFC title. The Birds never trailed after Montgomery's 42-yard scoring burst early in the first period, although Dallas managed a 7-7 tie at halftime after their only long drive of the day in the middle of the second period. The Eagles continued to dominate after intermission as fullback Leroy Harris (10 carries, 60 yards) complemented Montgomery's effort, Dallas managed only 202 yards of total offense and 11 first downs to the Eagles 340 yards and 19 first downs.

Veterans Stadium

The Eagles have called Veterans Stadium home since 1971 after previous stops at Municipal (now JFK) Stadium, Connie Mack Stadium, and Franklin Field. In their history, the Birds have also played home games at the Baker Bowl, Temple University Stadium, and Pittsburgh's Forbes Field during the 1943 season.

Veterans Stadium, known as "the Vet," is one of the finest multi-purpose sports facilities in the country. Built on a 74-acre site in South Philadelphia, the sports complex also includes a recreational park, mammoth JFK Stadium, and the Spectrum indoor arena, home of the Philadelphia Flyers and 76ers.

The Vet, which opened before the Phillies' 1971 baseball season, was built at a cost in excess of \$50 million. The Eagles, 76ers, and Phillies maintain their executive offices in the stadium.

In 1986, the Eagles installed two grass practice fields in the north parking lot of the Vet, as well as an inclement weather facility known as "the Bubble" at the north end of JFK. The Bubble consists of a synthetic roof supported by currents of air and covers a 70-yard Astro Turf field. It was installed by Air Structures International, Inc.

In 1985, 27 luxurious Penthouse Suites were built atop the south side of the stadium. Twenty-four more Suites were constructed the following year on the north side. Thirty-eight additional Suites on the west side were constructed in 1987 to bring the total number of Suites to 89.

The first Eagles' game at the Vet took place on August 16, 1971, when they defeated the Buffalo Bills in a preseason encounter, 34-28. The first regular season win came at the expense of the New York Giants, 23-7, on October 7, 1971.

In 20 seasons at Veterans Stadium, the Eagles have compiled an 80-74-2 record (including a 3-3 playoff mark). The seating capacity for football is 65,356, and the field is Astro Turf-8, installed in March of 1988. The new state-of-the-art synthetic turf features a vertical drainage system whereby water will drain through holes in the turf, its padding, and the stone and earth sub-base.

PERSONNEL GUIDE

WAIVERS: The waiver system is a procedure by which player contracts or NFL rights to players are made available by one club to other NFL clubs. During this procedure, a club may make a claim to obtain the player or "waive" its right to do so—thus the term "waiver". Claiming clubs are assigned players on a priority based upon the inverse of won-lost standings. The claiming period is normally ten days during the offseason and 24 hours from *July 5, through December 20*. In some circumstances, another 24 hours is added on to allow the original club to rescind its action (known as a waiver request) and/or the claiming club to do the same (known as a withdrawal of a claim). If a player passes through waivers unclaimed and is not recalled by the original club, he becomes a free agent. All waivers from *July 5 through December 20* are no-recall and no withdrawal. Under the Collective Bargaining Agreement, from *February 1 through October 8*, any veteran who has acquired four years of pension credit may, if about to be assigned to another club through the waiver system, reject such assignment and become a free agent.

ACTIVE LIST: The Active List is a status for players participating for a club. It consists of all players under contract, including option, who are eligible for preseason, regular season, and postseason games. Clubs are allowed to open training camp with 80 players but thereafter must meet a series of mandatory roster reductions prior to the season opener. Teams will be permitted to dress up to 45 players for each regular season game and postseason game during the 1991 season; in addition, each club will have an Inactive List of two players. For Active List maximums and dates for 1990, see "ROSTER LIMITS" below.

RESERVE LIST: The Reserve List is the principle status for players who, for reasons of injury, retirement, military service, or other circumstances, are not immediately available for participation with a club. Those players in the category of Reserve/Injured that have been placed on the list prior to the final 47-man roster may not return to the active list that season and are not permitted to practice. Any player placed on the Injured List after the 47-man roster has been set will be eligible to return after a minimum of six games missed. Those players may be re-activated by their clubs upon clearing procedural recall waivers; in addition each club will have five free re-activations for players meeting the six-week requirement. Clubs participating in postseason competition will be granted an additional re-activation. Players not meeting the six-week requirement may return to their club if they are released, clear waivers, and subsequently re-sign. Players in that category of Reserved/Retired, Reserved/Did Not Report, or Reserve/Veteran Free Agent Asked To Resign, may not be reinstated during the period from 30 days before the end of the regular season throughout the postseason.

ROSTER LIMITS: No more than 80 players can be under signed contract from *June 1-August 19*. Rosters must be cut to 60 active players by 4:00 p.m. on *August 20* (Tuesday after 3rd preseason game). Rosters must be cut to 47 active players by 12 noon on *August 26*. Clubs will be permitted to dress 45 players for each regular season game. No later from 1:15 prior to kickoff, clubs must place two players on Inactive List for that game.

PRACTICE SQUAD: After 4 p.m., *September 4*, clubs may establish a six-player developmental squad. This includes only rookies and/or first-year players (those whose NFL experience is limited to previous training camp or less than three active games). If a club decides to take a player off this squad, it must use one of its five free activations or request procedural recall waiver. These players are eligible to practice with the team, but still count even if injured.

TRADES: Unrestricted trading is allowed in 1990 between clubs through *October 8* (Tuesday following the sixth regular season week), after which trading of the player contract/rights will end until *January 27, 1992*.

DEVELOPMENTAL/PRACTICE SQUAD ALL-TIME ROSTER

Instant Replay Approved for 1991

For the sixth consecutive season, NFL clubs have approved a limited system of Instant Replay on a one-year basis.

All replay reviews which involve contact to the field from the Replay Booth will be a maximum of two minutes in duration, timed from the moment when the Umpire signals timeout.

The Replay Official will be assigned to a regular officiating crew and will attend crew meetings the day before each game.

The following table outlines the number of reversals and plays closely reviewed by instant replay in each of the previous five regular seasons.

	Games	Reversals	Plays Closely Reviewed
1986	224	38	374
1987	210	57	490
1988	224	53	537
1989	224	65	492
1990	224	73	504

In 1986, the system was approved by a 23-4-1 vote and in 1987 the vote was 21-7. In 1988, replay was cleared by a 23-5 margin. In 1989, the vote was 24-4. In 1990, the vote was 21-7. In 1991, Instant Replay was approved by a 21-7 vote.

The NFL has discussed Instant Replay in some degree or other since the early 1970s. The League experimented in 1976 and 1978 using two basic frameworks—an independent system using cameras, replay machines, and technicians separate from the network covering the games, and a no-frills approach using existing TV coverage.

In 1985, the NFL used the network feed of the nine nationally televised preseason games to experiment with the basic system which later was adopted and has been used since 1986. A total of 28 plays (17 confirmed calls, 4 inconclusive, 1 reversed, and 6 no replay shown) were closely examined in the 1985 experiment.

Q—What is the objective of this system?

A—The clubs feel that on certain plays the telecast viewed by the general public should be used to correct an indisputable error. The system will be used to reverse an on-field decision only when the Replay Official has indisputable visual evidence available to him that warrants the change.

Q—Who will be involved?

A—The Replay Official (a former NFL or collegiate official) will be positioned in a sideline Replay Booth, which will house two TV monitors and two high-speed VCRs plus radio communications to the on-field officials. The Replay Official makes the decision although a Communicator (normally a member of the League Office staff) and a Technician also will be there to lend logistical help.

Q—Why is the system referred to as "Limited" Instant Replay?

A—This system will concentrate on plays of possession or touching (e.g. fumbles, receptions, interceptions, muffs) and most plays governed by the

sidelines, goal lines, end lines, and line of scrimmage (e.g. receiver or runner in or out of bounds, forward or backward passes, breaking the plane of the goal line). It also will be used to determine whether there are more than 11 men on the field.

Q—Why aren't most fouls included in this system?

A—It is recognized that in most circumstances the on-field officials have the best vantage points involving fouls. It is for this reason that Instant Replay will not review a list of the following 26 fouls:

1. Clipping
2. Encroachment and offsides
3. Grasp of facemask
4. False start
5. Defensive pass interference
6. Offensive pass interference
7. Offensive holding and illegal use of hands
8. Illegal batting or punching ball
9. Illegal block on free kick or scrimmage kick
10. Illegal crackback
11. Illegal motion
12. Illegal use of forearm or elbow
13. Illegal use of hands by defense
14. Illegally kicking ball
15. Illegally snapping ball
16. Intentional grounding
17. Member of punting team downfield early
18. Illegal formation
19. Palpably unfair act
20. Piling on
21. Roughing the passer
22. Running into/roughing kicker
23. Striking, kicking, or kneeling
24. Unnecessary roughness
25. Unsportsmanlike conduct
26. Use of helmet as a weapon

Q—Is the television network carrying the game part of the review process?

A—No. Although the Replay Official will be viewing the live network feed, there is no communication to television personnel as to which plays to show or not to show. The Replay Official does not hear the TV commentators.

Q—What is the step-by-step procedure of a play review?

A—The Replay Official will view game action and a play will be replayed immediately on one of the two monitors, while the other one continues to record the live feed.

The Replay Official makes a determination if further study of the play is needed. If not, there is no contact with the field and play continues without interruption.

If the Replay Official believes an error may have been made, the Umpire will be contacted via a headset.

The Replay Official will watch replay(s) on one or both monitors and complete his review within two minutes after the Umpire signals timeout.

The Replay Official will inform the Umpire of his decision, and the Referee will make the appropriate announcement on the wireless microphone.

CREDENTIAL REQUESTS: News media representatives who have not been issued season press credentials should request single-game credentials in advance by writing or calling the Eagles' public relations department, Veterans Stadium, Philadelphia, PA 19148 (phone: 215-463-2500). Credentials reserved in advance can be picked up at the Press Gate/Security Entrance below Gate B off Pattison Ave. (not the Will Call Window) three hours before the scheduled kickoff. Media members who regularly cover the visiting team should arrange to acquire their credentials through that team's PR department.

PRESS BOXES: The Eagles maintain three press boxes, designated A, B, and C, on the fourth level of Veterans Stadium. Admission to the press area is strictly limited to those individuals holding credentials issued by the Eagles' public relations department. No other media identification cards will be honored. All news media should enter the press gate (Pattison Ave. side of the Stadium). Those with credentials for the press box should take the elevator to the fourth level.

TELEPHONES: Game day telephones at an assigned seat can be ordered by calling Bell telephone at 1-800-528-1800.

TELEVISION AND RADIO: Network television and visiting radio facilities are located on the 4th level between press boxes A and B. Visiting radio credentials will be issued through the visiting team's PR representative. Television announcers may do stand-ups on the field in pregame, halftime, during the last three minutes of play, and post game. Television "announcers" and producers are not allowed on the sidelines except during these aforementioned periods.

PHOTOGRAPHERS: Sideline credentials for field photographers are issued by the Eagles' public relations department only. Space limitations make it impossible to accredit free lance photographers who are not on specific assignment by a recognized sports or news publication. Photographers should enter the press gate (B) and take the elevator to the first (field) level. Space on the fourth level photo deck is extremely limited and available only on a reserved basis. All field photographers are reminded that they must remain outside the bench areas and behind the broken lines that surround the entire perimeter of the playing field.

LOCKER ROOMS: Admission to the home and visiting locker rooms after a game is controlled by each team. There is absolutely no admission to the locker room before or during a game. The Eagles' head coach and quarterback will meet with the media in an interview room across the hall from the Eagles' locker room.

PRESS CLUB: Admittance to the Press Club before, during, and after the game is limited to working media and Eagles' staff holding appropriate credentials.

DIRECTIONS FROM AIRPORT TO VET STADIUM: Take I-95 north for approximately 6 miles to Broad Street exit. Go straight on Broad for two lights. The stadium is located at the intersection of Broad and Pattison Ave. NOTE: Eagles' practice fields are located in the north parking lot of the stadium.

The Philadelphia Eagles' 1991 Media Guide was written and edited with the use of desktop publishing by Ron Howard and Rich Burg of the Eagles' public relations department.
